

FOR WEDDING PLANNERS · SAN MIGUEL DE ALLENDE

We would love to meet you

A historic house to celebrate · food, music and hospitality

THE HOUSE

A place that adapts to every celebration

Casa Cuadrante is a house in the heart of San Miguel de Allende: a courtyard with its tree, a terrace facing the Parroquia, a dining room, a gallery and a private suite. The setting is part of the experience, and we love working hand in hand with the planner.

We host events of every size and kind. We can close the whole house for a wedding, reserve only the terrace or the courtyard for a reception, or welcome a large group in the open restaurant with special touches. We bring the venue, the kitchen, the bar and the service; you bring the vision.

80 **Up to 80 guests served by us**

Ideal for intimate and mid-size celebrations with close attention. For other formats, tell us your idea.

What we celebrate

Ceremonies
The terrace or the courtyard as the stage to say yes, with the Parroquia in the background.

Cocktail parties
Standing reception with canapés flowing all evening, mixology and bites to share.

Day-after brunch (tornaboda)
Brunch or lunch the next day, unhurried, among the jacarandas.

Corporate events
Team dinners, launches, working lunches and year-end celebrations.

Receptions
Seated dinner, family style or plated banquet, with bar and music.

Welcome parties & ice-breakers
The night before, relaxed: guests meet, eat and toast.

Birthdays & anniversaries
Private or semi-private breakfasts, lunches and dinners.

Anything else
Christenings, farewells, graduations, themed dinners... tell us the occasion.

THE HOUSE

How can you take the house?

Full buyout

The whole house behind closed doors: courtyard, terrace, dining room, gallery and suite. Our full operation for your event.

Partial rental

One reserved space (terrace, courtyard or dining room) while the restaurant stays open. Privacy where it matters, without paying for the whole house.

Large group tables

Group reservation in the restaurant with special touches: pre-selected menu, toast, cake, flowers or surprise details.

What we provide

Catering

Canapés, family-style menu at the center of the table or a three-course plated banquet. The house kitchen: comfort food with a Mexican soul, made with good ingredients.

Bar

Open tab, open bar with spirits, or corkage with full bar service. Welcome cocktail (Mezcalita, Margarita...), wines and beers.

Service & coordination

Captain, waiters and the house kitchen; one person responsible for your event and a private link to set menu, timings, allergies and requests.

Setup & vendors

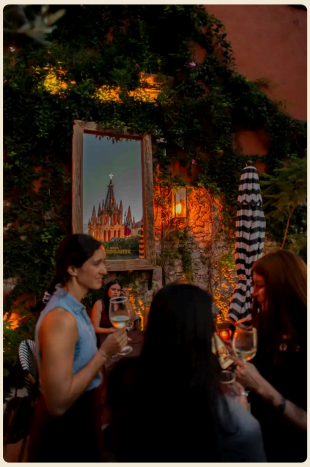

Tables, chairs, tableware and glassware of the house. Your flower, music, photo or décor vendors are welcome; we coordinate setup times.

Hospitality

House coffee, day-after breakfast and the private suite as a complement for the couple or special guests.

Music

House ambience, your DJ or musicians; we respect the city schedules.

THE HOUSE

Weddings at the house

A ceremony on the terrace or in the courtyard with the Parroquia behind you, long tables under the jacarandas and a candlelit party. Real wedding setups at Casa Cuadrante.

THE HOUSE

The suite

A private space inside the house, available as a complement to the event: to get ready, rest or stay. Ask us about availability.
